PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 17th August in the school lounge.

A604

County Councillor Coteman told the Parish Council that following the fatal coach crash on the A604 slip road some time ago, the County Council has recommended to the Department of Transport that motorway type gantries should be erected across the A604 in advance of the junction. The Department is presently considering this recommendation but it is understood that even if this is not implemented, as a minimum requirement there will be at least three warning signs sited along the roadside to provide drivers with plenty of warning of the impending junction. Further developments are awaited and the situation will continue to be monitored.

Phases 9 and 10

Further amended plans for phases 9 and 10 were studied by the Council, incorporating drying areas for the "Clipper" units. These were agreed to be an improvement.

Playground Equipment :

The Council apologises to parents and children for the delay in repairing the play equipment on the Village Green which was vandalised last month. The Council voted in favour of replacing the damaged boat and Wicksteeds will be asked to carry out this work as soon as possible. The swings will also be repaired. At the next Parish Council meeting there will be a comprehensive review of all the play equipment in the village and replacements and additions will be considered. If you have any suggestions as to any particular piece of childrens' play equipment you would like to have in Bar Hill, please let any member of the council know, or come along to the next meeting which will be on Tuesday 21st September in the School lounge starting at 7.30pm.

Best Garden Competition Mr. Hawes, in charge of the gardens at the Garden House Hotel, kindly judged this competition on Tuesday 10th August and results are as follows:-

- 1st: Mr. & Mrs. Newman, 150 Pheasant Rise
2nd: Mrs Harradine and Mr. Newman, 10 Hollytrees
3rd: Mr. & Mrs. Elphick, 146 Pheasant Rise

BAR HILL RESIDENTS' ASSOCIATION

Following recent concern over our continuing use of the office in the Mall (where we print the Bar Hill News) we are pleased to announce that we have been allowed free use of this office by courtesy of the Property Department of Tesco Stores Ltd. We are grateful to all who have helped to secure this position, especially the local Tesco management.

The next meeting is on Monday September 13th at 8.00pm in the Terrapin building at the school. Anyone is welcome to come along.

LETTERS TO THE EDITOR:

We are sorry to see that dumps of rubbish are appearing on the perimeter road at the top of the village. Residents are reminded that it is quite illegal to dispose of rubbish in this way.

Of course it may not be residents who are to blame but people from outside Bar Hill. So please keep a watch and if you see dumping please try and dissuade the offender.

R. A. Foulkes
Chairman B.H.R.A.

On behalf of Lee, Darren, Tammy, Hayley and Katie,

I would like to thank everyone on the village for their kindness, help, support and the strength we have received during our troubled months. I hope that one day I will be able to repay everyone. I would also like to thank everyone for their goodwishes and support which have been given to my husband Gordon.

I hope that you will also continue to give us the support and strength we shall need during the coming months.

A personal thanks to everyone

Maryanne Pinnock

Dear Sir,

With reference to the paragraph headed 'Road Safety' in the Parish Council Notes for August, I am surprised that the Council were sympathetic to the Residents' letter re children playing in the road.

I have travelled considerably during my working life and have never been in any place with so many play areas so well positioned in relation to the Residential property.

I wonder what the same residents would say if our young motor cyclists used the play areas for practising which, in reverse is exactly the same situation. We, in Hollytrees, are plagued by teenagers congregating in the "T" joint adjoining the car parking area at the rear of my property. They do cause a serious obstruction, as occurred on Sunday August 8th when there were over 20 collected at that spot complete with bicycles, ball and blaring radio.

Lets be fair on this and keep the play areas for playing and the roads for the vehicles.

JUNIOR CHURCH

Sunday School will be starting again on September 5th at 9.45am. I hope the children have had a good holiday, as we look forward to a new year of learning together. If there are new children who would like to join us, please come, we shall be pleased to see you.

Praying can be worthwhile, I mention this as we have an answer in Fran Lammis who is joining us to teach our 10½ years and over age group, this had been a problem in the past, but now we hope to have a thriving group of youngsters in the church to liven us all up.

We now have use of the school terrapin, this will give us a lot more space in the meetings room in the Church Centre, primaries and infants will be in the terrapin while junior and senior children will use the church Centre.

Linda Howard and Katy Jackson are teaching 3 - 5 years
June Hinchliffe and Rita Sandham 5 - 6 years
Janet Kempson 6 - 7 years

These groups will meet in the terrapin at 9.45am. Towards the end of Sunday School the children will be taken to the Church Centre to be taken home from there, so Mums and Dads please join us for coffee, if you have a few moments to spare, we would like to meet you.

Brian Howard will be teaching 8 years
Pat Staden 9 - 10½ years
Fran Lammis 10½ years and over.

So children and teens, we are looking forward to sharing our time with you on Sunday 5th.

H USEGROUPS

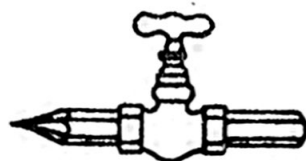

The 'Sermon on the Mount' (Matthew Chapters 5 - 7) contains the very essence of Jesus' teaching about what it means to follow him. For six weeks this Autumn we plan to take a close look at that teaching, both in the sermons on Sunday morning (beginning September 19th) and in two study groups which will meet on Wednesday evenings (beginning September 22nd) and Thursday mornings (beginning September 23rd). The evening group will meet at 78 Stonefields at 8.00pm and the morning group at 22 Foxhollow at 10.00am. The aim of both will be to

The Peace and Disarmament Discussion Group

The Discussion Group, which was formed last spring after the public meeting on Disarmament, continues to meet. Last month Professor Christopher Cornford discussed with us the aims of Russian foreign policy. He believes that it is mainly defensive and that Russia is not the aggressive threat that justifies vast N.A.T.O. counter-measures. Professor Cornford presented three points which are worth thinking about.

1. Russia has suffered huge casualties from invasions from the west. Remember Napoleon, remember Hitler. Her puffer states are a way of stopping it happening again. It is hard for us to imagine how Russia feels herself surrounded by hostile powers, e.g. U.S.A., China, Western Europe. Her energies are devoted primarily to defence.
2. It would not be to Russian advantage to invade western Europe, for it would be a massive task to control more territory and have even longer lines of communication.
3. There is little evidence that Russia is aiming at world domination by direct invasion. Marxism believes that revolution occurs inevitably when conditions are ripe for it. The Americans especially want us to believe that Russia is bent on spreading their ideology by force.

If Professor Cornford is right, we still need defences, but we do not need to be driven by false fear of Russia to erect such colossal defences against her. Nor need we be suspicious of every Russian peace move. It is to everyone's advantage to reduce expenditure on arms.

BAR HILL MOTHER & TODDLER GROUP

Well, having survived the early morning stampede for our home-made cakes, I am pleased to report that a profit of £42.48 was raised from our stall on Cambridge Market. I would like to say a big thank you to all the mums who did manage a contribution and also those who donated who haven't even got children at Toddlers any more. I would especially like to thank the committee who gave their time and worked so hard on various tasks to make the stall a success.

Don't forget, all those who have booked, the outing to Landbeach Marina. The bus leaves the school at 10 a.m. on Thursday 2nd September.

The next venture we have to think about is our "Fun Corner" at the Annual Fete on 11th September. We hope our Funny Photo stand will prove very popular. I won't explain fully what's involved. You will have to come and see, but for a small fee we guarantee a laugh and a memento for all the family. Also with the help of one or two local celebrities and "willing" dads you can relieve any tension by throwing wet sponges or any other soft items at them in the stocks! For the children there will be a home-made mask competition. So if they are beginning to feel bored this holiday, get them busy. It can be a funny mask, a monster mask, anything at all so long as it is imaginative. The classes are under 5 and 5 - 11 year olds. The entrance fee is 5p and a prize will be awarded for both classes.

As you can see Toddlers have planned a fun afternoon so come and join in the fun with us.

BAR HILL & DISTRICT CHILDMINDERS'

On Wednesday 11th August we held our summer play-in; it was the most successful yet. About 80 children attended, the weather was good to us and everyone had an enjoyable afternoon. We had paint, playdough and other playgroup type activities for the under 5's and for the 6-10 year olds we had a scavenger hunt, marble alley, paper aeroplane making competition and many other games. I would like to say thank you to everyone who helped. They all did a marvellous job - and a special thanks to Pat Staden for her inspiration and hard work with the older children. Many mums asked us when the next play-in would be, so who knows we might make it a regular holiday event.

Lastly, I would like to take this opportunity to thank Dianne Gunton, our retiring Chairperson, for all her hard work and enthusiasm during the two years that she ran the group; without her we may never have got off the ground!

Secretary, 80880

THE SUNSHINE PLAYGROUP

The Sunshine Playgroup is holding its Grand Opening Party on Tuesday 7th September at the Church Centre. We trust that everyone attending will thoroughly enjoy themselves. Radio Cambridgeshire is hoping to cover the event so you can always listen in.

So many people have helped to get the Playgroup off the ground, and I wish to thank them all for their many and various contributions. In particular, to those who have toiled through length committee meetings and given so much time to general planning and fund raising. We are very grateful for all the gifts and donations which have provided some excellent equipment for the Playgroup.

The Sunshine Playgroup has been registered with Cambridgeshire County Council for a maximum of 15 children per session. Sessions, which will be held in the Church Centre, for the first term will be every Tuesday and Thursday; after Christmas there will also be a Wednesday session, and from September 1983 there will be five morning sessions a week. Hours are from 9.15 to 11.45 am. The Playgroup will be jointly supervised by Dianne Gunton and Sandra Mole, and generally run through a committee elected by the members.

We are having a Home Made Produce stall at the Bar Hill Fete on 11th September. Elsa Turner (55 Hollytrees), Rona Hargreaves (1 Otter Close) and Isobel Brand (5 Hollytrees) have offered freezer space for any perishable donations and will also gladly receive any 'non-perishables'!

If you have any queries concerning the Sunshine Playgroup do not hesitate to contact the supervisors or any of the Committee.

Interested ? Contact Malcolm Roberts, 15 The Brambles, CH 81193 (evenings).

BAR HILL MUSIC SOCIETY

We recently gave our fourth concert in the Church Centre, which proved to be very successful. New members, both singing and instrumental, especially male, are very welcome to join us for the autumn term when we shall be rehearsing for our Christmas concert.

If you are interested and would like more information come along to our first meeting on Monday 6th September at 8.00 p.m. in the music room of the school, or contact Pam Hart on Crafts Hill 81847,

BAR HILL ALLOTMENTS AND GARDENS SOCIETY

Subscriptions and plot rentals are now due. Subscriptions are 50p a year and we will have seed lists available to all members. Please pay at the shop on the allotments site - open on Sundays 11.30 - 12.30.

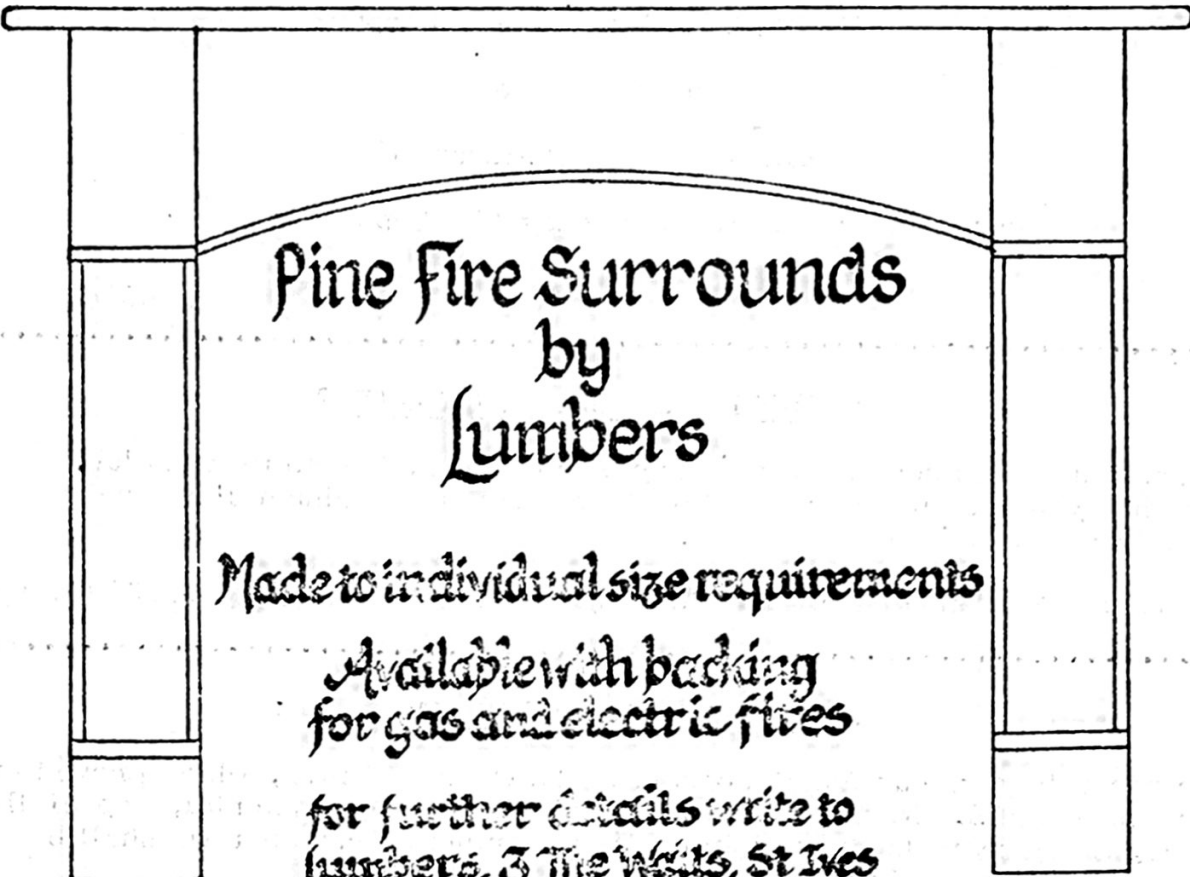

Due to the delay in supplying water to the allotments site, plot rentals will revert to £3.50 for a full plot and £1.75 for half a plot. The money so far received in anticipation of a water supply will be held to help pay installation costs - hopefully in the near future.

We have a "lawnraker" for hire now and we currently have good manure for sale at the allotments site - all details on the noticeboard in the shop.

There will be a plant stall at the annual show so anyone willing to sell excess plants bring them along. 25% of plant sales to go to Society funds please.

(There will be a charge of 25p to cover refreshments.) Please let me know by Tuesday 21st September if you wish to go, or would like a lift.

During October several of us hope to attend one or two day conferences to be held in E. Anglia. The first is at Norwich on Saturday October 16th entitled "A Woman's Place". The second is at Halstead on Saturday 30th October entitled "All you ever wanted to know about NIIR and were afraid to ask". Please see me for more details.

Once again, we are nearing the end of another programme; the new one is nearly ready and if anyone would like a copy, please ring Alison Stockle on CH 80007 as she will be taking over as Local Organiser for the coming year.

BAR HILL ALLOTMENTS AND GARDENS SOCIETY

The A. G. M. will be held on 14th December in the Village Hall at 7.30 p.m. All members are welcome to attend and pass on their opinions of the Society. A new committee will be formed so anyone who wishes to help, in however a small capacity, will be even more welcome.

The allotments shop will be open on the first Sunday of the month, from 11.30 to 12.30, throughout the winter. We offer a variety of garden requisites at competitive prices, and we also have equipment for hire - such as an electric lawnmower to remove the moss from your lawn without the usual hours of work and resulting backache. Yearly membership of the society is only 50p and you can join at the shop.

All members should have received a newsletter and questionnaire during November. If you have not received yours please contact Heather Sales (CH 80859) in case we have not got your correct address.

A few allotments have become available for rent, at only £3.50 a year, or £1.75 for a half plot. If you would like to taste home grown vegetables next year then please contact Dave Young (CH 81048) or enquire at the shop on the allotments site.

GOOD NEIGHBOURS OVER SIXTIES CLUB

On October 20th we had an informative talk on House Plants by Mrs. Sadler from the Cokington Garden Centre which she and her husband opened two years ago. Pity there weren't more there, as was proved by the invitation, following a lively bout of questions, to come and talk to us again in the spring, this time - at our suggestion - on Window Boxes and Small Garden Plots, "the busiest planting season, just right". Needless to say, her talk was also a demonstration, she had brought along a fine array of house plants.

Regrettably, Mr. Burnett was unable for personal reasons to give us his expected talk on Antiques (November 3rd). We played games instead.

At the Christmas Party (December 15th, 8 pm) we will be entertained by a Drama Group from Radsoe, Swavesey. They will be giving us scenes from their recent revue.
